CAREER OPPORTUNITY

Audit Manager

Open opportunity for an individual with advanced knowledge of auditing, accounting and insurance practices who is interested in serving the citizens of Missouri and protecting policyholders through the management of insurance company examinations.

Screening to begin on June 15, 2015

Position Details

This advanced technical and supervisory position is responsible for ensuring the financial solvency and statutory compliance of insurance companies by supervising their financial examinations and monitoring their financial health through on-going financial analyses.

Qualifications

Four years as an examiner within a state insurance department, including at least one year at the supervisory level, OR five years of professional experience in insurance accounting, auditing or examination work, of which one year must have been at a supervisory level; and graduation from a four-year college or university with specialization in accounting and auditing. All applicants must have possession of the CFE designation.

NOTE: Possession of a CPA certificate may be substituted for up to two years of the required experience. Graduate work in the above referenced fields may be substituted for the required experience on a year-for-year basis.

\$96,267 Annually
